The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 5 King's Castle Business Park, The Drove, Bridgwater TA6 4AG.

#### REGISTRATION

All Cats, Kittens and Neuters exhibited at a GCCF Show must be registered. Cats registered on the Reference Register may not be shown in competition. To be effective for entry all registration and/or transfers must have reached the GCCF Office at least 21 days prior to the show. No Cat or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great grand parents unregistered shall be eligible for entry into Open Classes.

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

All unregistered Cats, Kittens and Neuters of unknown or unregistered non-pedigree parentage are eligible for entry in the Non-Pedigree Section. All Non-Pedigree cats over nine months of age must be neutered.

Exhibitors are responsible for the correct description of the exhibits and for entering them in the correct classes. Please do not omit to Read and Sign the declaration – if joint owners, both must sign the form.

#### GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by GCCF no later than 21 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Reg No box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form – then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the show catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day); such a change must not be a change of exhibit or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate very clearly which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and both must sign.

**STATUS OF ERRORS – WHAT TO EXPECT**

**Minor Errors**

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- a) spelling errors
- b) separation of cat's names that should be one word, and vice versa
- c) administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit
- d) overseas title preceding the name of an exhibit, sire or dam etc.
- e) full breed number known but not given
- f) sire and dam reversed or named incorrectly
- g) breeder joint when single and vice versa

**Incorrect Date of Birth**

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: Kittens – not less than 14 weeks and under 9 calendar months on date of show  
 Adults – not less than 9 calendar months on date of show

**Incorrect Name of Exhibit/Owner/Breeder**

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

- EXHIBIT \* Totally incorrect name
- REGISTERED OWNER/ \* Joint, when they should be single and vice versa
- EXHIBITOR \* Declaration not signed by registered owner(s)

N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show

- BREEDER \* Totally incorrect name or names

N.B. The breeder of a cat is always the registered owner of the dam on the date of the cat's birth.

**Registration/Transfer Not Received By GCCF 21 Days Before The Date Of The Show**

These entries will be disqualified. Remember, the effective date of all registrations and transfers is the first date of valid receipt by the GCCF, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

Transfer of Exhibit from Exhibitor to a new owner received by GCCF more than 21 days before the date of the show, Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

**Incorrect Or Ineligibility Of Class Entry**

These will be disqualified from the class concerned – so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand class or Imperial Grand Class must have qualified on or before the published closing date of the show and the title must have been claimed in writing. Exhibitors who enter Grand or Imperial Grand Classes without claiming will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

**Cat Registered On The Reference Register**

No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons.

The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking. The leaflet 'General Guidelines on Entering Shows' is available from the GCCF Office on receipt of an s.a.e. or the GCCF Website.

#### VETERINARY

Exhibits will be received at the entrance to the show hall from 8.00am until 9.30am on the morning of the show. Exhibits must arrive at the show hall in a suitable, secure container (top-opening recommended) and must be accompanied by the owner or the owner's agent. If a cat cannot easily be removed from the carrier, it will not be vetted in/judged, such as for Best in Show. (N.B. This recommendation relates to the amendment to Section 4 Rule 6)

Each exhibit will be examined by the Society's Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before being examined. Exhibitors passes will be issued at vetting in – there are no tallies. All cats exhibited at shows held under GCCF Rules must have a current vaccination certificate against FIE, FVR and FCV ("cat flu"). The full course, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Certificates should be readily available at vetting-in to avoid delay, and should be properly completed and clearly indicate the identity of the exhibit and the owner to avoid confusion which may result in rejection from the show. **Cats without valid certificates will be rejected under Section A of the GCCF Rejection form.**

Please note that HOMEOPATHIC VACCINATION cannot be accepted, under GCCF Rules, for the purpose of vetting in.

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by their owners and entry fees are forfeit. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same household and the owners shall be debarred from attending the show. The Veterinary Surgeon's decision is final.

#### VETERINARY REJECTIONS

*Exhibitors whose cats have been rejected at shows should note the following points*

- When sending a clearance certificate to the GCCF Veterinary Officer please include your copy of the rejection slip.
- Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement of receipt is required, please enclose a stamped addressed post card for signature acknowledging receipt.
- Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

#### PENNING OF EXHIBITS

Every exhibit must be provided with a white sanitary tray and clean plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white Vet-bed or like material may be used if preferred. A hot water bottle or heat reflecting material or a cool pack may be used, provided they are covered by a blanket in accordance with GCCF rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10am, and may not be returned until 12.30pm. One small toy may be placed in the pen after the time announced for the admission of the public. Judges are instructed to pass any pen that is distinguished in any way, other than official notices or award cards. No written or printed matter may be placed on competitive pens – For sale signs are NOT permitted! Exhibition pens only, may be decorated and may carry printed matter relating to the exhibit.

Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on condition that the Society shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way. Please Note that it is the Exhibitors responsibility to ensure that their cat's pen is safe and secure before leaving the hall.

The Show closes at 5pm or earlier at the Show Managers' discretion. No cat may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

#### JUDGING AND JUDGES

Judging will commence at 10.00am and exhibitors will be requested to clear the hall at this time until 12.30am, whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete.

#### ADVICE TO EXHIBITORS - PLEASE NOTE

- a) You are advised against purchasing any shampoos that change a cat's coat colour or the use of Stress Remedies including Scullcap or Valerian which change a cat's normal appearance or physical reaction as this is forbidden at GCCF shows and will lead to disqualification under Section 4 Rule 14.
- b) Any person whose cats have been rejected under sections C or D must not officiate as a judge or steward, or in any other capacity which requires the handling of cats at shows, until a clearance certificate as required by the GCCF has been obtained.
- c) Queens who are pregnant, lactating or who have kitted within 12 weeks of the date of the show may not be shown.
- d) The use of small battery driven fans in pens can be dangerous, and could also be considered a distinguishing feature.
- e) The use of any kind of spray in the hall is strictly forbidden.
- f) Please note that in addition to the classes you have entered, your cat may also be handled for the purpose of assessing candidates in the GCCF Judge appointment scheme.
- g) It is recommended that you clip the claws of your cat/kitten before the show.
- h) Owner's Liability: Please note that Exhibitors (Owners) are responsible for the cost of any veterinary treatment required by their cat/s during the Exhibitor (Owners) absence from the Show hall.
- i) Details from entry forms will be processed by computer.
- j) Advertisements: Exhibitors are advised that advertising the future attendance of their Cat(s) at any GCCF show could lead to disciplinary action and great care should be taken when advertising in magazines, newspapers, newsletters or on the internet.
- k) The GCCF Veterinary Sub Committee wish to remind Exhibitors that cats should not be left in cars.

#### SHOW WITHDRAWALS AND ALTERATIONS

The last date for withdrawal of a cat from a show is the advertised closing date for entries at that show. After this date the cat/s concerned may not be withdrawn from the catalogue of the show and the 13 day Rule about entering two shows within 13 days will apply. There will be no refund of entry fees if the cat is not present at the show and the entry in the catalogue must not be withdrawn. This ruling does not prevent Show Managers from returning entries after the closing date of the show if they are unable to accept them into the show because the show is full.

ALL WITHDRAWALS MUST BE IN WRITING.

#### ALL ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING TO THE SHOW MANAGER

No telephone alterations and/or deletions will be accepted. Corrections to your entry form can be made on show day.

There will be no refund of entry fees after entries have closed.
